### **Warren County Habitat for Humanity Asks that You Donate to ReStore with Care**

Washington, NJ - Habitat for Humanity is thrilled to be serving Warren County! In its five years of operation, the Warren County Habitat for Humanity ReStore has become known as a local family friendly place to shop, while also supporting the work of Habitat for Humanity.

The ReStore is open to the public and is a retail establishment supporting the nonprofit organization that builds homes, communities and hope. ReStore inventory consists of new and slightly used items supplied by local donors. Your contributions generate revenue which then funds our mission of building safe and affordable homes in partnership with qualified families. WCHFH is currently partnering with a veteran family to build the fifteenth home in Warren County.

The ReStore has diverted approximately 380 tons of materials from landfills in 2016 alone, and Warren County Habitat for Humanity kindly asks that you help us keep Washington beautiful. Please drop your donations at the back of the ReStore during our store hours ONLY! The premises are under surveillance at all times and dumping and unauthorized drop offs will be prosecuted! Please call 908-835-1980 for donation guidelines as not all items are accepted. Store hours are Sun. & Mon. closed; Tues. 9am-5pm; Wed. 9am-7pm; Thurs.-Sat. 9am-5pm; located at 390 Route 57 West in Washington, NJ.

Through the joint efforts of Warren County Habitat for Humanity, our community and our volunteers, we can keep Warren County a comfortable place to call home.

Warren County Habitat for Humanity is dedicated to eliminating substandard housing, and to making adequate, affordable shelter a matter of conscience and action. The organization relies on volunteer labor and tax-deductible donations of money and materials to fulfill its mission: "Seeking to put God's love into action, Habitat for Humanity brings people together to build homes, communities and hope."
