

Presents:

*Raising the Roof... with Laughter*

Dear Friend,

You are invited to join **Warren County Habitat for Humanity's** continuing effort to build dreams for area families in need.

"As we select our next partner family, we are proud to announce the collaboration between The National Kitchen and Bath Association(NKBA) and Warren County Habitat for Humanity for this build. WCHFH will be an integral part of NKBA's Student Design Competition featuring HGTV personality hosts Chip Wade and Jennifer Bertrand. From the winning student designs our partner family will have the added blessing of selecting one kitchen and one bath to complete their home."

Our annual fundraiser, Beams & Dreams presents: *Raising the Roof with Laughter*, will offer dinner and a show, along with a 50/50 Tickets sold prior to event, Raffle Prizes, Live and Silent Auctions and Swag Bags for each attendee.

The event will be held at **6pm Saturday April 21, 2018 at Hawk Pointe Golf Club**, Washington, NJ and includes a sumptuous gourmet buffet and top shelf entertainment with the comedy of ventriloquist Taylor Mason.

We are seeking:

**Sponsors**

**Prizes** to be raffled or placed in auction

**Advertisers** in our program

**Swag** for 200 attendees (each will receive a welcome bag)

We appreciate your consideration and look forward to hearing from you.

Thank You,

Co-Chairs, Ruthann Disotell & Kathy Halpin
