WCHFH RECEIVES \$10,000 GRANT FROM THE UPS FOUNDATION

Washington, NJ-10/7/19—Warren County Habitat for Humanity (WCHFH) received a \$10,000 grant from The UPS Foundation, which drives global corporate citizenship and philanthropic programs.

The grant will be used toward plumbing, heating, final grading, and a driveway to complete the housing project in Lopatcong Township for the Maguire family. This grant is indispensable to WCHFH's mission of putting God's love into action, and bringing people together to build homes, communities, and hope.

"The generous donation from The UPS Foundation will not only allow us to create a safe and affordable home for the Maguire family, but also shows that the community is dedicated to the greater mission of Habitat for Humanity," said WCHFH Executive Director Ben Eskow.

Established in 1951 and based in Atlanta, Georgia, The UPS Foundation identifies specific areas where its backing clearly impacts social issues. In support of this strategic approach, The UPS Foundation has identified the following focus areas for giving: volunteerism, diversity, community, safety and the environment.
